

Middle Clamp Click 30-42mm

Product sheet

1 set contains: 1 Alu middle clamp black anodised, 1 Alu Click Design, 1 Bolt with serrated under head M8, 1 Square nut M8x15

Technical Details

Material	<i>Aluminium EN-AW 6066 (or similar) and Stainless Steel (nut and bolt)</i>
Design & Use	<i>The module center clamp is designed to be compatible with frame heights ranging from 30 to 42 mm, offering flexibility in installation. With assistance of the click bases and integrated earthing pins, the installation process is notably streamlined and optimized. The clamp is another accessory that is used to secure solar panels to aluminum rails. The fixture is made of aluminum alloy which can ensure that the solar panels will not be damaged or twisted.</i>
Warranty	<i>10 years according to our Guarantee Terms and Conditions.</i>
Colour	<i>Black and Silver</i>
Length	<i>70 mm</i>
Width	<i>40 mm</i>
Height	<i>60 mm</i>
